

Greetings Precious Family and Friends in the most Powerful name of all! *Jesus*

This is surely the day He has given us! We are Rejoicing in it!! How about you? I wanted to give all of you an update of what the Lord is doing in our lives and ministry! Most of you know that we have been back out, full time ounce again, as the Lord had said! We headed out. Jan. 30, 2016, for the first time sense 2014, on the promises from our God, after Satan came to try to kill, destroy, and to steal my husbands life our family, ministry and business! I'm here to tell you that our God is greater than and more powerful than any devils tactics, fears, tricks, lies or deceptions! Praise God! Our promise from the Lord was I (God) would restore Reagan fully! That it would not be in the time I expected, but that I (God) would give us both the strength to come through this. When He had restored him, that He (God) would give us a new message! " The faithfulness of our God! " As some may recall he was not able to talk, move, walk or remember even me or our children, yet the word was "RESTORE!" And that I was to Guard Him with my Sword! The war was on! Jesus had defeated the enemy many, many years ago! But I was to keep him back by the blood of the Lamb and the word of my testimony! And the word of my testimony at that point was Gods word continually! With no wavering! Death hovered all around us, even to the point of the funeral home person stood at our door in ICU each morning at five am thinking he'd be taking my husbands body. But my God gave me a promise! And He is not a liar!

Sense we've been back out on the highways and byways Reagan is walking using a cane as his balance is coming back day-by-day!! Praise the Lord! Each day is a new day as a full time rv'er, new people, places and opportunities to share the faithfulness of God. There are many lonely, hurting, lost and sickly people out there, many looking for someone who can give them hope, a word of encouragement and prayer for those they travel with, and for those back home! So you see there is a whole array of situations that only the Lord can meet there needs!

Sometimes there are those who have fallen through the cracks of church's, for whatever reasons, and some who have never been to a church, but they know in their hearts there is more to life than what there experiencing! Through the sharing of our testimonies and the truth of the faithfulness of God and with the Holy Spirit directing, it's been so amazing! We are seeing as the great commission says in Mark 16 that as we go out, the Lord will give signs wonders and miracles! And He has! Praise God!!

I believe time is short for the return of Christ! And we've got much to do for His glory! Let me encourage each of you who feel the tugging of the Spirit to step out in your God ordained gifts. You've been through many battles and feel warn out and blah, unsure and maybe confused. Faith is the way to please God! And the battles are brought to you to ware you out. That is the enemy's plan! If he can ware you out in battle, to cause you to lay the word down or your flesh to be tired out, and symptoms to get your attention on yourself and your mind riddled with, what's that? or what if, then the enemy thinks he's won! Not a chance! Jesus defeated him two thousand years ago! So really the only way he can stop the word of God going out to the hurting, unsaved, prodigals, sick, discouraged or undone is to keep the body of Christ distracted from it's callings!

Please remember calls are irrevocable! Meaning no matter what state you find yourself in now! There is no condemnation in Christ! Repent! And move forward! You are not a parked car, so put it in drive and move forward! Faith is forward, and moving with great expectation and excitement to see your God move in ways you've never imagined or dreamed! And the fulfillment of obedience is overwhelmingly awesome! People giving their life back to God! Being saved for the first time! To see people come out of wheelchairs! To see people laugh and be merry once again! Seeing people seeking the Lord once again and receiving hope again! Praise God! Praise God!! It only takes one step in faith to receive what the Lord has for you up the road, Amen?
